

## Consent for Treatment of a Minor Child

I, (print name of parent or authorized caregiver) \_\_\_\_\_ consent for treatment to be rendered by the therapist Carly Keaten, MA, LPC, to provide mental health services, to the minor child listed below.

Name of Child Client \_\_\_\_\_

I attest that I am the sole/joint (please circle one) legal guardian of the above stated child and am legally and financially responsible for the above stated child. In the case of joint custody, both legal guardians are required to sign this consent form before a minor child can be seen in therapy. When parents are divorced, Colorado law allows any parent who has been assigned parental responsibilities access to medical records. Therefore, in compliance with C.R.S. §14-10-123.8, you authorize me to provide access to treatment information to such an individual by authorizing me to provide services to a child in your custody. Legal documentation of the custody/guardianship agreement is needed at the time of signing this consent form and before the minor child is seen in therapy.
